MISSOURI

Shorthorn - Polled Shorthorn

SHOW and SALE

Saturday, November 16

State Fairgrounds, Sedalia, Missouri

67 LOTS

27 BULLS — A great set of both polled and horned sire prospects. Notice the many outstanding herds consigning. They offer great buying and improving opportunities.

20 FEMALES — Including a number of cows with calves, bred cows, bred and open heifers and an excellent set of 1974 calves suitable for FFA and 4-H work.

20 STEERS — We are expecting a top set of calves suitable for FFA and 4-H show purposes.

Our cover picture shows the winning get of sire at the 1974 Ozark Empire Fair for Alpine Farms, Lexington, consignors of three head to this sale. These typify the quality of Shorthorn and Polled Shorthorn productions in Missouri.

Show and Sale Classification

This show is co-sponsored by the Missouri Department of Agriculture and the Missouri Shorthorn-Polled Shorthorn Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri and only those animals representing the top 50% of the breed are awarded ribbons and premium monies.

State association cattle sales only will be placed in numerical order (1-2-3-etc.) unless otherwise requested by the breed association involved. Those animals representing the top 50% of the breed carrying performance figures as listed below will be eligible for double premium. (Monies and ribbons will be distributed through ten places as follows:)

1st	\$10.00	4th	\$ 4.00	7th	\$ 1.00
2nd	\$ 7.50	5th	\$ 3.00	8th	Ribbon
3rd	\$ 5.00	6th	\$ 2.00	9th	Ribbon
		10th	Ribbon		

Animals will be placed from top to bottom in each class, then classified into groups as follows:

Blue Ribbon, A or Superior (top 15% of breed or less).

Red Ribbon, B or Good (next 35% of breed).

C Unclassified (no ribbon).

Champion and reserve champion ribbons will be given for each sex.

All classes will conform with respective breed association rules including age classification. Those animals having performance records conforming with the following standards will be eligible for double premium monies.

Adj. 205 Day Wt.	Adj. 365 Day Wt.	Daily Gain	Adj 1000 lbs. Loin Eye	Back Fat Per Cwt.
Over 100%	675	1.9	12	.05
Herd Average	925	2.3	13	.05

Frame score three or more on Angus, Hereford, Polled Hereford and Shorthorn. Five or more on Charolais.

SHOW

Show starts at 9:00 a.m.

Judge: Lloyd Waters, Chambersburg, Illinois

MEETING and BANQUET

OF MISSOURI SHORTHORN AND POLLED SHORTHORN ASS'N

FRIDAY NIGHT, NOVEMBER 15

Social Hour 6:00 to 7:00 p.m.

Banquet starts at 7:15 p.m.

Both will be held at the Old Homestead

Sale Headquarters will be Holiday Inn, 32nd & Limit on U.S. 65 South.

GENERAL INFORMATION

TIME — The show will get underway at 9:00 a.m. and the sale at 12:30 p.m., Saturday, November 16.

LOCATION — State Fairgrounds, Sedalia, Missouri.

TERMS — Terms of this sale are cash unless other arrangements have been made with the owners and the sale manager is notified.

GUARANTEE — All cattle will sell under the Standard Guarantee endorsed by the American Shorthorn Breeders' Association. Statements from the block take precedence over footnote material.

LIABILITY — Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises and they will accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the seller accept any liability for injuries that may occur. All persons attend this sale at their own risk.

REGISTRATION CERTIFICATE — A certified registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each unborn calf sold in dam.

HEALTH — All cattle are absolutely healthy in every respect and will have passed T.B. and Bangs tests within 30 days of the sale. Health certificates will be furnished with each lot to meet the requirements of any state or territory.

LUNCH — Will be available at the grounds.

LODGING — There are plenty of good motels in Sedalia. Sale headquarters will be the Holiday Inn on U.S. 65 South.

AUCTIONEER — Tom Sherlock, Oxford, Iowa.

SALE MANAGER — A.S.A. Sales Services, 8288 Hascall Street, Omaha, Neb. 68124.

FIELDMEN — Bill Stunkel, American Shorthorn Ass'n; Mark Dempsey, Missouri Ruralist; Don Birk, The Drovers Journal.

PROFITABILITY WINNERS

Earlier this year, a group of Shorthorn steers were declared the "Profitability Sweepstakes" reserve champions at the Beef Expo, Sterling, Colo. This honor was based on a combination of gaining ability, feed efficiency and grade. It is interesting to note that not a single exotic group could match this achievement.

With the future pointing to more grass fed beef, Shorthorns and Polled Shorthorns stand in their greatest position in history. NO BREED CAN PUT ON MORE QUALITY POUNDS ON ROUGHAGE THAN OUR BREED. Consequently, all progressive commercial beef producers will be looking to Shorthorns for that extra grade they give on low cost feeds.

In recent years we have seen a trend to bigger cattle. Now, these cattle need the help of Shorthorn blood to improve fertility, ease of calving, extra milk (and accompanying heavier weaning weights), finishing qualities and grading merit.

REGARDLESS OF THE BREED OF YOUR COW HERD, SHORTHORNS AND POLLED SHORTHORNS CAN MAKE THEM MORE PROFITABLE. TRY THE PROFIT CROSS.

STANDARD GUARANTEE

A—Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B—All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C—With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

D—When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E—All animals cataloged have been tested for T.B. and are clean, and have also passed a test of Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

F—Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
